

CUNNINGHAM HILL JUNIOR SCHOOL PE and SPORTS PREMIUM PLAN 2017-18

The picture of sport in our school.	Sport has always played a large part in the life of Cunningham Hill School, both within and outside the curriculum. Staff give up their time to run a variety of different extra-curricular sports / fitness based clubs and, together with coaches from outside sporting associations, this has ensured that all our children, whatever their need or ability, participate in an active club each term. Inter and intra sport for all has again continued to increase, as has the participation of our older children in helping to deliver sporting activities and competitions. The PE curriculum is broad and has a structured programme of progression in all areas, with a uniform system of assessment. The school is excellently resourced with PE equipment for every area of the curriculum. The school achieved the Gold School Games Award , for the third year in succession. 2016-17 was another very successful year for inter school competitive sport; 45% of our children represented the school in ten different sports. We reached three Level 3 finals for the first time, runners up in the High 5 Netball and winning the Quicksticks Hockey. We were also awarded St Albans and District Team of the Year for Hockey. Other achievements included winning the Netball and Cross Country leagues and St Albans District Athletics Combined Champions. Two of our Cross Country runners also represented Hertfordshire at the National Championships. We have secured links with more external sports clubs and many of our pupils are now involved in sports outside of school.
-------------------------------------	---

Our vision for sport in our school for this academic year.	All children will continue to experience an exciting, enjoyable, diverse and challenging PE curriculum supplemented by a wide range of extra-curricular activities, clubs and teams. Those who are talented will continue to be channeled to develop their talents, those who may be reluctant to participate or have special needs of any kind will be encouraged to participate in activities that they will enjoy and hopefully benefit from for the rest of their lives e.g. Change 4 Life Club. Our staff will continue to receive CPD through support with planning, team teaching and assessment from an experienced part time Key Stage 2 teacher (PE Subject Leader) and a part time PE teacher.
--	---

ACTIONS TO HELP US REACH OUR VISION

OBJECTIVE	ACTIONS	Sports Premium Funding	School funded	Additional resources	Led by	Time scale	IMPACT April 2018
<p>Teaching and Learning within the curriculum</p> <p>The standard of PE teaching will continue to be improved throughout the school and staff will gain valuable CPD opportunities in PE.</p>	<p>Class teachers will be assisted by a part time PE Teacher (Natasha Green). They will be actively involved in the delivery of their class PE curriculum and will plan, observe, team teach and assess with Natasha.</p> <p>In addition to this Natasha will support the PE Subject Leader for 6 lessons each week to enable delivery of a truly differentiated curriculum, which challenges the more able and nurtures those who find the subject difficult. Class teachers will be encouraged to observe at intervals and take a proactive role in the planning for, and assessment of their children.</p>	Assist with salary of, Natasha Green £13,000.	Balance of salary of Natasha Green £6200	As a result of the use of Sainsbury's School Games vouchers and the allocated PE budget the school is well resourced to deliver all aspects of the curriculum.	PE Subject Leader	In place Aut 2017	Teacher confidence and competence continues to improve. Support for our NQT and new young teachers has been particularly important this year, as they had no experience in the subject. The improved quality of PE teaching has again impacted positively on learning. When assessed at the end of units an average of 40% of our children have improved by one level. Children have previously been assessed on a -, =,+ criteria, but we have had to introduce ++ to accommodate the increasingly high standards we are now seeing. By the end of Year 6 all our children are working at = or beyond across all units, unless they have a specific difficulty.

<p>Workshops Each year group will have access to specialist workshops in areas of the PE curriculum. These will be led by external coaches and observed by class teachers to further their CPD.</p>	<p>Sports coaches from local sports associations / clubs will be invited in to lead sessions e.g. workshops last year included Tennis, Hockey, Dance, OAA, Pop Lacrosse and Street Dance.</p>	<p>Expenses paid to coaches £250</p>			<p>PE Subject Leader</p>	<p>On going</p>	<p>These have enriched both curricular and extra-curricular provision and provided valuable CPD for staff. To date workshops have included basketball, and yoga. Workshops planned for the summer term include tennis, orienteering and lacrosse.</p>
<p>Extra-Curricular Opportunities All children, including the less active, will continue to attend at least one sport/active extra-curricular club. Children will have the opportunity to participate in a wider range of specialist clubs, run by external coaches and paid for by parents. Children to have experience of activities not available at school eg climbing, canoing etc. at residential trips</p>	<p>PE and teaching staff will deliver a variety of extra-curricular clubs free of charge. Children will be encouraged to go to a suitable club. PE subject leader and PE teacher will deliver Change 4 Life Clubs. Year 6 Young Leaders will also assist in the running of lunchtime clubs. The school will continue to offer facilities to external clubs and coaches, free places will be offered to children, usually Pupil Premium children, nominated by the school. We will encourage our children to develop their sporting potential by attending these clubs outside of school and to access activities on residential trips</p>	<p>Cost of additional equipment eg lacrosse, archery, etc £1000 and spaces to non-pupil premium children who would benefit but aren't financially able. £2500</p>	<p>School gives premises / facilities free of charge to external providers.</p>	<p>School delivers a wide range of extra-curricular clubs. Some external coaches e.g. Karate, Pop Lacrosse, Cheerleading, Street Dance and Gymnastics bring in their own equipment.</p>	<p>NG, teacher responsible for extra-curricular clubs</p>	<p>On going</p>	<p>100% of our children continue to do an active club at least once a week. Many do more than one. Our Young leaders have had more comprehensive training this year and are now running a range of active clubs under the supervision of a Year 6 teacher. Lunchtime Change4Life Club continues to be popular with those children who cannot participate after school, or are in particular need of being more active.</p>
<p>Inter School Sport Further increase the number of children given the opportunity to participate in inter school competitive events. These may be organised by the School Sports Partnership "School Games", St Albans Sports Association and sports leagues, or other sporting organisations.</p>	<p>The school is actively involved in the local Sports Partnership and will continue to support other sporting organisations who are offering competitive opportunities to our children. The PE subject leader and PE teacher will attend network meetings and co-ordinate events with school staff. The school will liaise with other schools to obtain B and C team / friendly fixtures to extend competition to more of our children. Use of school minibus to transport those children whose parents are not able to provide transport</p>	<p>Cost of affiliation to Sports Partnership £200. Affiliation to St Albans Primary Schools Sports Association 40p per child. Maintenance of minibus: £ 1400 approx</p>			<p>PE Subject Leader</p>	<p>On going</p>	<p>The school has continued to have another successful year in inter school sport fielding teams in netball, football, hockey, rugby, indoor athletics and lacrosse to date. The main difference this year is that we have run more teams, and are opening the opportunity to represent the school to more of our younger children, increasingly offering B and C team fixtures. For example all those who attended our netball, rugby and hockey clubs have represented the school regardless of ability. All of our Lower School football club have also participated in inter school competition for the first time.</p>

<p>Intra School Sport All children will continue to compete in inter house sports events and end of unit tournaments and competitions.</p>	<p>Throughout the year different inter house competitions will be organised involving all children. PE subject lead and PE teacher will work with/train Year 6 Young Leaders to help with / organise these events.</p>		<p>Cost of trophies, medals, and engraving £50</p>	<p>None</p>	<p>PE Subject Leader</p>	<p>On going</p>	<p>To date all our children have participated in intra school competition in cross country, basketball, football, rugby, hockey and indoor athletics. Children are capable of organising their own teams, warming up and practising and playing in mixed ability and differentiated groupings. There is a strong emphasis on fair play, supportive teamwork and sportsmanship.</p>
<p>Development of School Site The school has actively and successfully embraced the Daily Mile initiative since September 2016. We are now launching a major fund raising initiative to provide an artificial Daily Mile track around the school field.</p>	<p>PE Subject Leader is in process of visiting schools in the area who already have this facility and getting quotes from relevant companies.</p>		<p>Major fund raising project by the school PTA.</p>		<p>PE Subject Leader</p>	<p>When funds have been raised</p>	<p>Our track is now in place and being used by all classes on a daily basis. We can now deliver this initiative in all weathers and throughout the winter. The target was to get all our children running or jogging for 5 minutes without a break. This has been achieved and has impacted positively on the fitness levels of our children in PE lessons, team performance and clubs. House cross country and indoor athletics records were smashed in our latest whole school competition, whilst our elite runners have had their best cross country season ever, winning the boys and combined leagues, and coming second in the girls league. Two of our squad are also representing Hertfordshire in the National Championships.</p>
<p>Swimming All children will leave the school in Year 6 able to swim 25 metres. Cost of swimming lessons subsidised by the school.</p>	<p>All Year 3 children will receive two terms of swimming instruction. Those who still cannot swim will continue to receive one term of instruction per year until they can meet the criteria.</p>		<p>Cost of swimming lessons subsidized by school</p>		<p>PE subject leader</p>	<p>On going</p>	<p>At the beginning of this year 17% of our Year 6 intake did not meet the criteria for swimming. Now only 3% (2 children) remain to do so. They are receiving swimming tuition weekly and are expected to reach the target by the end of the summer term, if not before.</p>
