21st September 2018.

Dear Year 6 Parents,

Year 6 CGP Homework Books

In order to provide extra materials to support your children at home, we have purchased some CGP study guides for all of Year 6 (for Maths, Reading and Grammar).

The books are provided free of charge and will form part of the homework tasks for the Autumn Term 2018. The children will be given selected pages to complete by the teachers - these should be submitted on the designated day as we will be looking through them as a class.

The children will receive a copy of the question book and a small exercise book in which to record their answers. If you or your child would prefer to write answers in the question book, we request that you buy the books at trade price (£4.50 for the 3 books). At the end of the academic year, books that have not been purchased will be collected. Please ensure that they are in good condition without any writing in them so they may be used next year or you will be charged (at the individual cost of £2 per book).

Please complete the slip below and once received the books will be issued to your child. These forms need to be returned to school by **Tuesday 25th September**.

Kind regards,

The Year 6 team
