PROFESSIONAL ASSEMBLIES

Dear Parents

As part of our drive to encourage our children to have high aspirations, we would like to hold professional assemblies again this year.

For the last few years we have invited in parents (or contacts from parents) who work in a profession that might inspire children for the future. In the past we have heard from civil engineers, makeup artists, solicitors, dentists, graphic designers, advertising directors, communications directors – to name but a few. We are particularly keen to hear from anyone who may have a job role that children may never have heard of and that also any roles that break the stereotypes (e.g. our female engineer).

Our assemblies are 15 minutes in length, including the song, so the time you would be in front of the children would be short and sweet! The assembly could be a presentation or talk or could just be me asking you questions about your job.

We would be keen to get as many volunteers as possible so if you or someone you know would like to come and inspire the minds of young people, please fill out the form below or contact the school office.

Yours sincerely

Ms Elbourne-Cload
Headteacher

PROFESSIONAL ASSEMBLIES

I / someone I know would be interested in coming to talk to the children in assembly about a profession:

Profession: _____

Name: _____

Contact Number: _____

Child's name at Cunningham Hill (if applicable) _____
