

The Rock Project - Open In St Albans
Book your space for next term
FREE TASTER SESSION
Guitar-Bass-Drums-Vocals

The Rock Project is a national school of rock and pop and teaches children aged 7-11 and 11-18 guitar, bass guitar, drums and vocals as well as the opportunity to play in a band.

All abilities accepted and instruments can be provided. The two hour after-school sessions run from either Camp School on a Tuesday or Wheatfields Infant on a Thursday with a session for ages 7-11 (primary school age) followed by a session for ages 11-18 (Secondary school age). Book now for a free trial after Christmas. Each week (term time only) students will receive an hour of tuition in a maximum group of 5 per tutor, in separate rooms, learning some fantastic songs. Then the other hour is spent as a group playing in bands and putting into practice what they have learned in their lesson. As the students build up a set list of songs over the year, each July they perform in The Rock Project annual gig on stage in front of friends and family. So why not come along and see if it's for you?

*Senior students wanted! Do you know of an 11-18 year old that might be interested?
Please pass on the info!

To book in for a FREE taster session and to enquire for more info, please contact Andy on herts@therockproject.com or visit www.therockproject.com/sessions for further info.

Sessions also available in Harpenden, Hatfield and now in WGC.
