January 2019

Dear Parent/Guardian,

Young Cyclists Bikeability Training Course (Year 5 & 6)

February Half Term 18th – 22nd Feb 2019

Bikeability courses will be run at the school by Hertfordshire County Council Environment Road Safety Unit Instructors. Courses for Year 5 and Year 6 children will start on Monday 18th February every day for one week (either morning or afternoon sessions).

Please note this is during February half term.

If this course is oversubscribed then priority will be given to Year 6 students.

The course will include Highway Code theory homework and skills exercises on the playground. This will be followed by basic manoeuvres on local roads for those who have reached the required standard of cycle control.

Children will need a roadworthy bicycle and their own cycle helmet. They must already be able to start and stop safely, ride in a straight line, use their gears, control their bicycle when looking behind and when signalling. They will need clothing to keep them warm, a waterproof coat plus gloves if it is wet or cold.

The cost of the course is reduced to £27.00 which includes funding from Central Government. If you wish your child to take part please return the consent form below with payment or pay via School Gateway. Cheques should be made payable to Cunningham Hill Junior School. Your place is not confirmed until payment has been made.

Pupils will be awarded certificates for the level they achieve. Spaces are limited so we need your permission slip and payment by Monday 4th February if you are wishing to take part.

As this is not a school led activity we will not be able to refund you if you book a place and are then away during the half term holiday.

Yours sincerely,

J Elbourne-Cload
Headteacher
