

CHJS Drama Club Autumn Term 2019

Drama is a great way to improve a child's

- *confidence,*
- *speech, and*
- *creative thinking.*

Through a mix of **fun improvisation games** and **exciting projects** the children make new friends and learn useful performance techniques. We always share our work at the end of term with parents and the school.

Here's what our current members say:

"It's fun and you get to be creative" Year 5 member

"We do really amazing projects" Year 4 member

Drama Club is lead by Debbie Cameron who is a trained and experienced theatre and music education professional.
