Parent Testimonials

"All three of our boys attend Helen O'Grady in Harpenden and absolutely love it, it has engendered in them all a real love for drama and the sheer freedom and fun of it. Drama has helped our boys feel comfortable in their own skin."

"My kids have both loved being part of Helen O'Grady, they have very different personalities, and this brought out the best in both of them. It gives every child the chance to take part equally and let them shine!"
