Dear Class 1 Parents,

Class 1 Enterprise Trip to Tata – Friday 28th February

We are delighted to be able to confirm that Class 1 will be attending their enterprise trip within our exciting Enabling Enterprise curriculum when they will be visiting the head office of Tata in Kensington. Tata Consultancy Services Limited is an Indian multinational information technology service consulting company with headquarters in Mumbai, Maharashtra. It is part of the Tata Group and operates in 46 countries. It employs around 15,000 people in the UK.

The trip will involve the children getting to know how a company of this size works through presentations and carrying out interviews with employees, before undertaking a group task. Teams will explore what risk and benefit mean, and work as investment bankers to make the maximum growth for their client's wealth. They must make careful decisions about which companies to invest in, based on information they are provided with. The event will culminate in a 'show-and-tell' presentation where they will celebrate what they have achieved throughout the challenge.

As part of our school drive to provide children with real life skills and opportunities, we will be travelling to the venue via train and the London Underground. In order to ensure we make the train, which leaves St Albans City Station at 9:30, **we will be leaving school at 8:45am.**

On our return, you can either collect your child at 3.40pm from the corner of Flora Grove and Shirley Road (to keep away from the congestion around the train station), or, collect your child from school by 4:10pm.

Lunch will be provided by Tata, but they should bring a water bottle and optional snack. We will inform the company of all dietary requirements. The children must wear **school uniform** and bring their **purple cap**.

The cost of this trip is £12.00. We have been very fortunate that the PTA have been able to support us with these trips and have subsidised the cost greatly, so a big thank you goes to them.

Kind regards,

Miss Fox
