Year 6 - Crucial Crew Visit

Friday 20 March 2020

Dear Parents

In conjunction with the Community Safety Partnership, Year 6 will be attending a local Crucial Crew scheme at St. Albans Fire Station on **Friday 20 March 2020**.

The scheme is organised with the help of the Herts Constabulary and Herts Fire and Rescue Service and provides the children with the opportunity to assess the risks and dangers of everyday activities and to learn to act accordingly. The session takes the form of varying scenarios which aim to show the possible dangers in and around the home as well as giving the children the strategies and skills to deal with them. Scenarios involving the dangers in: using electrics, the road, internet and cyber bullying, fire and anti-social behavior will be covered.

We will be leaving at 9.00 am and returning within the school day so normal lunch arrangements will apply. The children will need to be in full uniform and wear their purple school hat. There is likely to be a photograph and press article following the trip so please let us know if you do not wish your child to be included in any pictures.

The cost of the trip is £1.50 which includes the activity booklet they will bring home.

Payment should be made via the School Gateway.

Please could you complete the slip below and return it via your Class Teacher by Friday 13 March 2020.

Many thanks
