

St Albans Cathedral Choirs are recruiting!

The Cathedral's choirs are internationally renowned. Becoming a chorister gives children opportunities to enjoy making music to the highest standard, to make new friends, and to learn about team-work and commitment. Entry to the choirs is by audition, and each choir has an intensive schedule each week. Further details can be found here: <https://www.stalbanscathedral.org/Pages/Category/cathedral-choirs>

For the **Cathedral Choir (boys)** there are opportunities for boys aged 7-9 to audition. Auditions are by appointment throughout the year.

For the **Cathedral Girls Choir** there are mainly opportunities for current Year 3 girls to audition, but possibly some places for slightly older girls. Auditions are around the weekend of 28th March. The Cathedral Girls Choir will also be holding a '**Be a Chorister for a Day**' event on Saturday 1st February. Places at this event are limited and it is aimed principally at girls who have a strong interest in potentially auditioning for the choir. Please see here for registration details: <https://www.stalbanscathedral.org/Event/be-a-chorister-for-a-day>
A similar event for boys will take place later in the year.
