Dear Parents,

Tuesday 24<sup>th</sup> March is the last chess club for this term. The children have made good progress. Thank you for supporting the chess club.

Chess improvement comes from playing many casual games, matches and tournaments. Weekly session consists of structured lesson from our syllabus, interactive puzzle and casual games with analysis.

### Planning for Summer Term 2020:

Children in classes Year 3 to Year 6 are invited to attend the school chess club, either as complete beginners, or experienced players. **To reserve your place** please send your completed registration form by email and pay online before **27<sup>th</sup> March 2020**. Please assume confirmation and acceptance when you have completed online payment.

There will be 10 sessions from **28<sup>th</sup> April to 7<sup>th</sup> July 2020 (excluding half term on 26<sup>th</sup> May)**. Our fees for the term is **£65.00**. Please note that fees are non-refundable in the event of absences or closure of the school for any reason. May I ask parents that you give me at least a half-term's notice if your child is wishing to leave chess club at the end of the term. Thank you for this consideration.

**Please try to pay on-line but do use the code for your school.** With 600 payments to process, without the correct code it is difficult to track the payment. With this payment method it is easy and free for you and me.

If you have any further questions, please do not hesitate to contact me.
