

Women's Engineering Society 100 Violets Challenge

How do we predict the weather, use power in our homes or recapture carbon from our factories? How can we help people who have been injured, how does a microscope work and what's involved in building a motorway?

Meet real engineers and find out these answers and so much more at our free interactive family-friendly exhibition.

11am – 4.30pm Saturday 21st March, Brunel Museum, London (SE16 4LF)
